

Workshop

"Mental Health, Resilience and Political Participation"

How does mental health affect political participation? Do conditions such as depression affect how people relate to politics? Does resilience help citizens cope with the frustrations often experienced in politics? - Questions to be addressed in this Workshop with
Claudia Landwehr, Christopher Ojeda and Oliver Tüscher

Wednesday August 14, 2019

14:00 – 18:00

Philosophicum II, Ground floor, Room 00/212

Open to everyone - registration required

To register, write to: politik-und-wirtschaft@uni-mainz.de
